

Clark, Blair

29 July 1958

## MEMORANDUM FOR THE DIRECTOR:

1. This memorandum is for information only.
2. In closing the CBS World Tonight program last night (11:00 to 11:30 P.M.) Blair Clark reported in substance that Allen Dulles, chief of the Central Intelligence Agency, would be questioned <sup>Tuesday</sup> along with several of his experts by the Senate Foreign Relations Committee in closed session. It was said, he reported, that some of the senators might question why CIA was caught short by the Iraq revolt, but Senator Aiken had stated that they are mostly interested in what the situation is now so that they may judge whether the U.S. ought to recognize the new Iraqi government.
